Whole Aussie Orange Cake

Serves 8 *by Kim McCosker*

Ingredients

1 orange, quartered, deseeded and depithed

180g melted butter

3 eggs

1 cup caster sugar

1½ cups self raising flour

Method

Preheat oven to 180°C. Line two x 15cm cake tins with baking paper. In a blender process the orange until pureed. Add remaining ingredients and process until just combined. Pour into prepared cake tins and bake for 40 minutes. Remove from oven, cool and serve with your favourite icing.

Citrus Frosting

2½ cups icing sugar

2 tbs butter

2 tbs orange juice and zest

Mix all ingredients and use to ice the whole orange cake above.
